9	I hope Ellettsville ISN'T the same in the future. It's leaders are too slow to make any improvements in the way of business or growth. We should be like Avon and Plainfield are now, after their addition of 4-lane highway. The only thing keeping Ellettsville the same is the schools, and community leaders. There isn't anything, in my personal opinion, that we could lose that would make a big impact on this town other than the school system. It's too stuck in it's own little bubble with no progress, no forward thinking, no urgency to become a better, thriving, bustling community.	11/19/2021 10:03 AM

44	small town feel. Ellettsville has built a very strong reputation for being a place where you want to live and you want your kids to grow and go to school. By allowing the growth of subdivisions and more kids to come into the school system, it's becoming overcrowded and losing that stigma. It's no longer a place where you strive to live but a place where everyone does live. Loses its value and appeal	11/16/2021 12:26 PM

46	it's friendly community	11/16/2021 12:15 PM
47	the school system. The one somewhat unifying part of the community is the school system. The entire community doesn't rally around the schools, athletics, or extra curricular activities in an impressive fashion, but it is the core driver today. I frequently find greater turnouts at Paragon and Gosport community events than I do at Ellettsville, despite having a much larger population segment. We need more Wee Willies, Americano, and Vine Street BBQ's. Then we need to empower/promote these types of restaurants/shops to the larger surrounding community.	11/16/2021 12:09 PM

Q5 Ellettsville could be...

Answered: 280 Skipped: 125

#	RESPONSES	DATE
1	a great suburb town	12/3/2021 11:36 AM
2	upwardly mobile with attractive housing at all ranges: entry level first time owners, those with growing families, empty nest families, and retirement housing.	11/29/2021 9:31 AM
3	a place with more student living, the ones that spend the money and want to be out and about	11/23/2021 2:16 PM
4	better maintained	11/23/2021 11:27 AM
5	An adorable and safe little town. I researched and researched different smaller towns in the area before we moved here and I saw the potential our town has. We have great small schools, parks all around, ect. I just feel like we need some restaurants and local shops.	11/22/2021 8:47 AM
6	A large area for businesses and home development	11/21/2021 11:04 PM
7	An attractive location for new industry and business	11/19/2021 5:42 PM
8	Better if it had more restaurants and a real grocery store	11/19/2021 2:06 PM
9	More visually appealing	11/19/2021 1:52 PM
10	Like Avon and Plainfield IN after their addition of 4-lane highway. A smaller version of Bloomington as far as businesses and restaurants, we don't even have anything "high-end" like a quality furniture store, or a dry cleaners, or a ladies clothing store. Why can't Ellettsville be a smaller version of Greenwood?	11/19/2021 10:03 AM
11	better with more healthy local owned restaurants we have enough fast food except maybe Chic Fila or a Chipotle we didn't need Starbucks that serves garbage coffee.	11/18/2021 8:35 AM
12	an active town in its own right, with a welcoming and active identity.	11/17/2021 8:50 PM
13	a nice place to get away from Bloomington	11/17/2021 4:52 PM
14	a mores cohesive town.	11/17/2021 1:08 PM
15	better with more manufacturing and housing	11/17/2021 12:51 PM
16	ENTIRELY SEPARATED FROM BLOOMINGTON	11/17/2021 7:37 AM
17	The town I stay in the rest of my life.	11/17/2021 6:13 AM
18	a town with more growth. At the moment though, there are so many struggling local businesses unable to maintain a full staff of employees.	11/17/2021 6:08 AM
19	a retreat from Bloomington	11/16/2021 9:31 PM
20	An incredible neighboring city to Bloomington. There is plenty of room for opportunity.	11/16/2021 4:50 PM
21	A great small town with a variety of locally owned shops and restaurants for the community to gather.	11/16/2021 4:01 PM
22	a place for families to live in Monroe county	11/16/2021 3:37 PM
23	bustling with small shops and restaurant's. This would bring in more tax dollars for the community. Being so close to Bloomington, Ellettsville has a market not utilized. People who have lived in Ellettsville and even Bloomington hates going downtown Bloomington. The traffic, the parking issues, demographic of bars and college students everywhere, etc, however the restaurants and the shops are the allure. If Ellettsville had that feel and charm of downtown without the hustle and bustle, people would come.	11/16/2021 3:31 PM
24	bustling	11/16/2021 2:55 PM

25	better	11/16/2021 2:16 PM
26	A great rural living option outside of Bloomington with great companies for employment.	11/16/2021 1:54 PM
27	a great corridor into Stinesville and Spencer, providing more housing, new restaurants and shops, and even rebuilding the Stinesville area to incorporate into the west side growth.	11/16/2021 1:47 PM
28	more diverse.	11/16/2021 1:33 PM

32	a shopping hub	11/16/2021 1:04 PM
33	more up to date, with more things to do for couples/families	11/16/2021 1:03 PM
34	A place for young families to live, thrive and stay forever in.	11/16/2021 12:53 PM
35	A place with more family activities.	11/16/2021 12:51 PM
36	more of a place to play and spend extra income. My family and I leave Ellettsville and go to Bloomington for most leisure and family time. Would love places in town that we could go to.	11/16/2021 12:44 PM
37	more fun with things for kids to do	11/16/2021 12:40 PM
38	Even more of community with more community members involvement.	11/16/2021 12:36 PM

43	so much more exciting with a vibrant downtown	11/16/2021 12:15 PM
44	a marvelous small-town located just outside a college town. Instead it is becoming more of a bedroom community with an endless line of pizza chains instead of a thriving small town with original/unique shopping, dining, and recreation. Ellettsville could be a destination that people come to for family activities and weekend fun, instead its just a place cars are passing through on their way to their destination.	11/16/2021 12:09 PM

48	A lot cooler in general and have better dining options.	11/16/2021 11:53 AM
49	Safer. I see more and more traffic passing through. It's starting to feel like Bloomington. I used to recognize everyone I passed... I couldn't tell you who anyone is anymore. There is always so much traffic going down SR46 it's ridiculous.	11/16/2021 11:50 AM
50	a unique small town that encourages and supports local shopping, recreation and dining opportunities.	11/16/2021 11:50 AM

61	Better with more things to do outside, like parks and small shops	11/16/2021 7:26 AM
62	Forgotten....all the traffic, new buildings that have no look or feel of originality. I really don't want it to start looking like a mini Bloomington, but at the same time realize it has to grow a little.	11/16/2021 7:12 AM
63	A more relaxing residential area to escape the hustle and bustle of the city next door	11/16/2021 6:13 AM
64	...the non-student escape from Bloomington, with destinations/activities unique to the town and landscape. Instead it seems to be modeling itself after Bedford, etc. No curb appeal, somewhere to drive through as quickly as possible. Frankly, ugly and generic. Flow of traffic could be improved/maintained (very important for daily commuters) with pedestrian/bike overpass options and possible rail option to Bloomington.	11/16/2021 5:18 AM

78	better if the downtown area were to be cleaned up a bit, fresh coat of paint so to speak and some new businesses starting up in the empty abandoned buildings in the area. These empty buildings make the area very slum looking and it's very sad to see the area looking run down.	11/15/2021 11:53 AM

11	GROWTH!!! Not one "bigger" business came to Ellettsville when the 4-lane opened up. We have an over abundance of pizza shops but no other business that would make Ellettsville come up to the 20th century! This town is stuck in the past. Why can't we have high-quality furniture stores, clothing stores, a dry cleaners, a bookstore, jewelers, etc., and for pete's sake we are in DESPERATE NEED of a quality grocery store or two. IGA is not quality. It's good for a bread and milk pick up. There is no competition for IGA here. Competition is GOOD! Get progressive thinkers in town to make things happen. None of these survey questions pertain to business driven growth. Sad.	11/19/2021 10:03 AM

15	Building a welcoming identity that's friendly to growth (not trying to shut itself off in the name of maintaining some "small town" charm). There is no charm in a downtown that feels stagnant or in a busy highway commercial corridor that feels chaotic and haphazard. Development of downtown (small offices/companies, restaurants, retail) should be a main priority. Expanding town limits to better capture tax revenue and guide proactively guide development are also important. Town government often seems far too hands-off.	11/17/2021 8:50 PM

expansion will only continue to make Ellettsville less of a community and more of a place to sleep. Let's improve the infrastructure that we have, residential and commercial and make Ellettsville a beautiful small town with appealing qualities opposed to just being a price point for consumers in the Bloomington area.

53	The "look" of downtown.	11/16/2021 12:00 PM
54	traffic management for vehicles and pedestrians	11/16/2021 11:56 AM
55	The attraction of the downtown, for many it is an after thought as they fly by on 46.	11/16/2021 11:54 AM
56	Keeping the small town charm!	11/16/2021 11:50 AM
57	aesthetics. There is no character that reflects the uniqueness of Ellettsville. A long-term development plan could positively impact "the look and feel" of businesses along both E & E 46 - the first things one sees in Ellettsville.	11/16/2021 11:50 AM
58	Look at "Main Street Spencer" for guidance. They have unique shops around the square with plenty of places to eat. Ellettsville has one restaurant, no parking, and no real way of knowing what is there (visible signage) and it isn't very inviting.	11/16/2021 11:48 AM
59	non-commercial corridor businesses, culture. its feeling more like an overpriced Bloomington-West, full of chain stores and cut-through traffic	11/16/2021 11:47 AM
60	The downtown area seems very small and there does not seem to be alot of land to grow or add additional development.	11/16/2021 11:46 AM
61	the downtown area and bringing some restaurants in. Fast food is OK, but we would really enjoy having a nice, local place to have dinner.	11/16/2021 11:42 AM

69	putting in less HUGE expensive housing additions, that are taking away our natural environment.	11/16/2021 5:34 AM
70	Curb appeal with pleasant pedestrian/biking. Developing speedy public transit like rail to Bloomington and even Indy.	11/16/2021 5:18 AM

72	nightlife	11/15/2021 4:53 PM
73	Ellettsville needs a Walmart, Target or Kroger. IGA is too expensive for families.	11/15/2021 3:33 PM
74	Diversity... big lack. I think the school systems need a program like North has for hands on work (HVAC, plumbing)	11/15/2021 3:32 PM
75	Its infrastructure.	11/15/2021 3:22 PM
76	is not inviting of outsiders	11/15/2021 2:34 PM

80	the downtown area. There really is no downtown and no need to visit. It would be awesome if we could get some shops.	11/15/2021 1:07 PM

86	Flooding in the downtown area and keeping housing affordable.	11/15/2021 11:39 AM
87	dining and retail (especially grocery) shopping options in and near the town. Ellettsville is a bit of a food desert in comparison to Bloomington.	11/15/2021 11:38 AM
88	The flow of traffic for people trying to enter on to SR46 from residential areas.	11/15/2021 11:35 AM
89	Everything. Increase the variety of food options such as getting some sit-down restaurants. Support small business development along Highway 46. Provide additional local community services for families. When I was a kid in Ellettsville, there was a Community Center. Now it's Kenny's Tavern :(11/15/2021 11:33 AM

93	Removing rundown housing	11/15/2021 11:09 AM
94	ROADS FOR ALL THE TRAFFIC	11/15/2021 11:04 AM
95	The curb appeal of the entire town. I live in Ellettsville and it feels like there hasn't been a cohesive city plan in building/growing the town. Putting up a mini storage facility on the main road through town? No one wants to look at that.	11/15/2021 11:03 AM
96	retail options. Bloomington stores are too focused on college students. We could use a Target or Meijer with more focus on family needs. IGA is too expensive for weekly shopping.	11/15/2021 11:02 AM

104	GROWTH	11/15/2021 10:55 AM
105	Small business presence.	11/15/2021 10:54 AM
106	The town could create an ordinance of no panhandling within city limits. Remove housing from the downtown area or hold the landlords and renters accountable for the trash they leave laying around.	11/15/2021 8:01 AM
107	The Town Council-Leadership, stronger business options. Now that more businesses are going up, we need a better traffic option, i.e. lights or something for State Road 46.	11/12/2021 10:27 AM
108	Making older businesses look new again	11/9/2021 5:32 PM

113	Their voice. Speak up and let the region know who you are and what you have to offer.	11/1/2021 7:00 PM
114	Entertainment and dining to attract younger families. In addition, they should concentrate on annexation efforts to make more land available for future expansion plans for housing development and industrial development or better jobs...the motto should be find a job, get a better job which leads to a career. Redevelop the downtown through the formation of a RDC. Consider adding TIF districts to generate funds for future acquisition of properties as they become available so Envision Ellettsville plans can be implemented. Funding for projects will need to be considered and the community needs for identify other means to raise capital besides the community businesses.	11/1/2021 2:48 PM
115	Following Bloomington's lead on issues. People live in Ellettsville because they don't want to live in Bloomington. We don't want Ellettsville to become Bloomington.	11/1/2021 10:03 AM

148	A reason for people to visit	10/20/2021 11:16 AM
149	our need to be dependent on Bloomington as it's calling card to visitors. Ellettsville should be advertised as a centralized jumping off spot for several state/local parks and recreational areas nearby. We need to build the infrastructure to support the tourists coming to visit those areas with retail and dining opportunities (no more pizza joints). The retail and dining could also be patronized by our local residents, keeping those tax dollars and jobs here in town. There is no large, dedicated retail outdoor outfitter available in Bloomington to support those tourists. Why couldn't it be us.	10/20/2021 9:53 AM

154	Roads in housing additions	10/20/2021 1:52 AM
155	The cost of living is increasing, housing prices and taxes are too high. It is hard to afford nice houses compared to neighboring locations like Bedford, Spencer, Martinsville, etc. Not enough properties with land/acres available. All new housing is in small housing editions with tiny lots. Also there is not much to do in Ellettsville. We need better restaurants, shopping, entertainment, etc. Add a meijer or similar store, clothing stores like Kohl's (not just boutiques), movie theater, fancy sit down restaurant, etc. Too many pizza places right now. More family friendly festivals.	10/20/2021 12:44 AM

169	There is a major lack of homes for single families starting out. The only new developments are overpriced and the arrowhead neighborhood is rapidly deteriorating. Ellettsville should focus on charm and character. Keeping the small town feel people move here for. We can go industrial like Plainfield or pay attention to detail like Carmel, but at our current route, we will be Bedford.	10/19/2021 7:30 PM

254	Food. Something to do. Cops doing something besides sitting for a speeding ticket. It can be small town but this small I mean Gosport has more going on. Get a Aldi so people can get affordable food. A place to eat after 3pm would be great. If a place is too boring is how drugs and other criminal acts start.	9/23/2021 4:30 PM

273	Neighborhood street lights for safety.	9/21/2021 7:36 PM
274	Places to eat and entertainment	9/21/2021 5:44 PM
275	Ellettsville Police Department. I drive SR 46 daily and very rarely see EPD patrolling or stopping anyone for traffic violations. Encourage a reduction in the expressions of hate that permeate this town. We need a better grocer. There has been sufficient growth in higher end residential, but everyone still has to go to Bloomington to shop for decent food.	9/21/2021 5:37 PM
276	The retail corridor on 46 and keeping downtown in use (restaurants, community gathering spaces, shops, offices)	9/21/2021 5:07 PM
277	The appearance of the town. There are so many buildings that are empty and/or need to be repaired.	9/21/2021 4:53 PM

281	The downtown. The leaders of this community and think BIG.	9/21/2021 2:47 PM
282	the old school mentality. There are too many stale people in charge of things in town. I thought the food trucks being in town on Wednesdays was a great idea, but it seemed like there were people who were resistant to it. I know the pandemic kind of messed that up bit that's the kind of idea we need. We also need to get the general appearance of the town cleaned up. Some parts look pretty rough especially along Vine Street.	9/21/2021 2:44 PM
283	community participation	9/21/2021 2:05 PM
284	its identity. Ellettsville is arriving late to the game and many important decisions about land use and development are being made by corporations/developers than the community.	9/21/2021 11:28 AM

Downtown looks completely shuttered and the drive down 46 gives the appearance of decay, missed opportunities (self storage in prime areas), and disorganized development. Traffic patterns on 46 need to be improved.

288	Transportation Safety and New Business/Commercial Attraction. Downtown Redevelopment with community space.	9/19/2021 11:35 AM
289	Flooding and water damage to historic downtown seems to be a massive problem. Maybe if that gets sorted, small businesses will give it a shot in Ellettsville. A microbrewery is a perfect idea!	9/16/2021 5:35 PM
290	Pedestrian/bike accessibility between neighborhoods and to businesses. Growing options for things to do beyond coffee and pizza.	9/15/2021 8:03 AM

32	We lack quality employment opportunities, most of the quality jobs are in Bloomington. I would select "Lack of Housing Options" but I worry that would be interpreted as a need for apartments and low income housing. 2	I do not but I'd encourage anyone looking to revitalize our town to look to Warsaw and Winona Lake, Indiana. I grew up there and lived there as an adult for years. I watched the town slowly grow and become a vibrant community. I think Ellettsville has similar potential. Warsaw had the advantage of large corporations helping but I think Ellettsville has a community behind it that Warsaw didn't. Just a thought!	11/22/2021 8:47 AM
3	Community solar grids on farms, sidewalks, positive support for natural gas, graphene refinement and more businesses.	11/21/2021 11:04 PM

7	1) Incentivizing small-scale building/development downtown, preferably 2-3 story building that allow for a couple apartments, restaurants, retail, small offices, 2) creek area would make a perfect park and event/festival space, 3) building a network of multiuse paths (like Bloomington has recently done on Henderson and Winslow) and if possible a bike trail that connects to the B-Line.	11/17/2021 8:50 PM

13	Improvements to benefit the aging and elderly	11/17/2021 7:15 AM
14	Not specifically. Eventhough Ellettsville has a strong sense of community, Cook is barely present in the Ellettsville community. Cook is very active in Bloomington and in Spencer, just not so much in Ellettsville.	11/17/2021 6:08 AM
15	local farmers market & major recreation space (example - Switchyard Park)	11/16/2021 4:50 PM

28	Parks	11/16/2021 12:40 PM
29	Free internet access to our elderly housing communities.	11/16/2021 12:36 PM
30	Family Steakhouse Restaurant; Update IGA to a cleaner more inviting grocery store; Remove the building to the south of the old town hall and build a more pleasing structure there that fits better with the architecture that already exists in our downtown stone buildings	11/16/2021 12:26 PM
31	Downtown Ellettsville needs to attract and sustain small businesses and restaurants.	11/16/2021 12:20 PM
32	N/A	11/16/2021 12:00 PM
33	Support for aging population.	11/16/2021 11:56 AM
34	new and repaired sidewalks to encourage walking. Crackdown on drug houses in and around the downtown area.	11/16/2021 11:50 AM
35	Have to figure out transportation & roadways. 46 and connector roads are becoming expressway for other communities- have to figure out how to separate out beltway from Ellettsville community, so then the inner-belt/circle can develop personality. Need a community development plan/not anything goes. need to protect cost of living and small town feel.	11/16/2021 11:47 AM
36	Again, for single family type neighborhoods built by Ryland or another major builder	11/16/2021 11:46 AM

39	Improved downtown with more shopping and housing	11/16/2021 11:37 AM
40	I would like to see Ellettsville expand outward instead of directly down Highway 46. I believe it needs a reason for traffic to slow down and enjoy the town instead of just being a blip on the map to get to Bloomington.	11/16/2021 6:13 AM
41	We need something for our teens to do.	11/16/2021 5:34 AM
42	Rail option to Bloomington. Parking w/pedestrian/bike overpass options. Plant TREES along 46 corridor! Easy connection to beautiful outlying areas for recreation. Every project should have the goal of making people want to stop, get out of their car, and spend time and \$.	11/16/2021 5:18 AM
43	Safe bike path along (or parallel) to highway 46 that would connect one of town (Arlington Road) to the other (Red Hill Road). Particularly with the mailboxes mounted on the sidewalks, it is not safe to use the sidewalks (nor should they be used as they are intended for pedestrian traffic).	11/15/2021 11:07 PM
44	I would like to see childcare options and an affordable grocery store.	11/15/2021 3:33 PM
45	I'd like to see a modern park (ex: switchyard park), better signage on what things are around town. More trails, dog park	11/15/2021 3:32 PM
46	Build a natural attraction. A conservatory, an insectarium. Something that focuses on nature and becomes an attraction for both locals and prospective visitors.	11/15/2021 2:34 PM
47	no	11/15/2021 2:33 PM
48	I would love to see a central playground area with equipment for all ages, and other safe activities for youth and families to do.	11/15/2021 1:48 PM
49	Gentrification of downtown. Maybe a large Park for community enjoyment and events	11/15/2021 12:22 PM
50	don't know	11/15/2021 12:03 PM
51	Beautification and businesses thriving in the downtown area	11/15/2021 11:53 AM
52	No, all programs would have to be approved with a budget of the city.	11/15/2021 11:45 AM

53	Walking trails cross S46, need crossing lights, scary to cross.	11/15/2021 11:40 AM
54	I'd like to see the SR46 corridor continue its revitalization we've been seeing, and also try to build up a travel plaza (w/ gas and electric charging stations, food, etc) close to I-69 to fill a need in the greater Monroe county area.	11/15/2021 11:38 AM
55	Better infrastructure for automobile traffic	11/15/2021 11:35 AM
56	Rental buildings that aren't red brick, public-housing-looking flophouses.	11/15/2021 11:33 AM
57	Not at this time.	11/15/2021 11:25 AM
58	I would like to see taxes lowered	11/15/2021 11:09 AM
59	a few downtown stores loved having the coffee shop but I noticed it is now closed.	11/15/2021 11:08 AM
60	It is a great challenge, but expanding the downtown area and making it more accessible, similar to Bloomington or Spencer. Ellettsville is in a tough spot with the geographic location that is available to it though. Plus the route along SR46 looks like a bunch of pole barns were thrown up that businesses now occupy. There is nothing unique, attractive, or long lasting about what exists there today.	11/15/2021 11:03 AM
61	At least 1 big box store (target, Meijer) nearby to eliminate the need to go to Bloomington.	11/15/2021 11:02 AM
62	N/A	11/15/2021 11:02 AM
63	I would like to see property taxes lowered.	11/15/2021 11:02 AM
64	I personally would like to see a popular fitness center like Planet Fitness, Orange Theory, or Anytime fitness go in somewhere. I also wish they have more restaurant chain options besides pizza.	11/15/2021 10:59 AM
65	n/a	11/15/2021 10:58 AM
66	End the housing project across from Arbys on 46	11/15/2021 10:57 AM
67	Don't allow growth to impede traffic. If traffic diverts around Ellettsville for faster transportation, businesses will struggle.	11/15/2021 10:57 AM
68	MORE SHOPPING AND ENTERTAINMENT	11/15/2021 10:55 AM
69	Walking trail with connectivity to Bloomington. Vibrant downtown will small business presence.	11/15/2021 10:54 AM
70	I would like to see building owners and landlords in downtown Ellettsville step up to help keep the downtown area clean and help bring in more businesses. The US Post Office needs to find a new location. The parking situation for the post office is terrible, especially for elderly and disabled patrons in the community.	11/15/2021 8:01 AM
71	Creating new Multi-use trails to reach outward into the county such as a trail following the Monon-corridor to Stinesville, etc.	11/8/2021 9:42 AM
72	Flooding controlled. Food places.	11/3/2021 4:50 PM
73	Flood mitigation. The town needs to assure citizens that their properties will be protected when heavy rains hit.	11/2/2021 12:23 PM
74	Consider an EDIT or TIF for businesses development, quality of life, development of workforce and talent, annex land for business growth and expansion. Develop financial instruments in the public domain which enable community leadership to react to available properties when they become available for acquisition. Otherwise, there will be minimal financial capabilities to execute on opportunities. For instance, there may be a property that would serve the community to better as a park and is consistent with the EE plan. If the Town owned it or has a mechanism to enable a little more control it could redevelop it.	11/1/2021 2:48 PM
75	A baseball park where tournaments can be hosted.	11/1/2021 10:03 AM
76	Downtown is ugly. There is nothing to attract people. Clean up the old building with improvements. There should not be abandoned looking buildings downtown. Add more restaurants, arts, music something to spark life into downtown.	11/1/2021 8:15 AM
77	I would like to see Envision Ellettsville actually implemented!	10/29/2021 10:55 AM

78	More Senior Citizens Housing	10/28/2021 8:58 AM
79	I think west side of town needs more retail, restaurants, and sense of community.	10/27/2021 7:45 AM
80	An initiative to revamp downtown to attract more restaurants & shops to the area.	10/25/2021 9:18 AM
81	I'd just like to see more restaurants and small businesses. I think the community could benefit by looking at how Nashville IN has grown their community.	10/25/2021 8:06 AM
82	Visual update to downtown area, improve aesthetics of public parking spaces and thoroughfares with limestone features and wayfare signage, encourage better maintenance of properties in the downtown area, attract restaurants to the downtown area, create affordable housing downtown, keep post office downtown, mitigate flooding and reduce expenses for business and home owners, create "signature" features to attract people to Ellettsville area, support schools to provide more workforce development opportunities, keep talented students in the area, create a theme for landscape plantings and hardscapes that feature limestone and indigenous trees, expand pedestrian trails, celebrate peoples successes, help people who are struggling, and host more community events	10/24/2021 9:02 PM
83	More pizza places	10/22/2021 12:31 PM
84	Community area near downtown: green space, water feature (lake?), trails, performance area (stage/amphitheater)	10/22/2021 10:46 AM
85	I would love to see the Karst Farms trail completed. Also, safer pedestrian options around town. Ellettsville police a great! Give them more funding as the town grows. Same for utility workers. Maybe consider a remote work/tech center like The Mill in Bloomington.	10/22/2021 9:23 AM
86	A better grocery store, sidewalks, affordable and starter housing	10/21/2021 8:50 PM
87	Walk/Bike paths, Edgewood Schools Wellness Center	10/21/2021 4:55 PM
88	Most important to me is making the community more bike-friendly. I feel like every time I go for a ride I'm lucky to get back alive. I don't have that problem in Bloomington. Finding a way to extend the Karst Farm Trail to the end of the county (toward Spencer), would be ideal.	10/21/2021 2:23 PM
89	A downtown that centralized.	10/21/2021 2:22 PM
90	If you over promote social services, people will think you have a problem and not want to live there.	10/21/2021 2:12 PM
91	New baseball/softball complex capable of holding tournaments on a larger scale.	10/21/2021 11:27 AM
92	continuing improvement of streets/highways & public utilities	10/21/2021 9:05 AM
93	No	10/20/2021 5:30 PM
94	Develop the area between the 46 split, it has so much opportunity to bind the community together and give pride to our community. It could be our crown jewel if done well.	10/20/2021 1:55 PM
95	Probably impossible, but something like a small YMCA or other recreational public facility where there are sports opportunities year round, and safe and friendly workout facilities.	10/20/2021 12:57 PM
96	revitalize downtown to attract retail businesses, restaurants and customers	10/20/2021 12:34 PM
97	Buy the farmland around Hardstraight and 46, turn this into parks, shops, restaurants	10/20/2021 11:16 AM
98	We need a more diversified restaurant portfolio. Some sit-down, casual dining opportunities would be great. I would much rather see jobs and my dining tax dollars stay local here in town instead of going to Bloomington. Also an over 55 housing project would be nice to attract people from around the region who are looking for access to a larger city benefits (like healthcare) but still live in a community with a small town feel.	10/20/2021 9:53 AM
99	more places to shop so we don't have to rely on Bloomington.	10/20/2021 8:39 AM
100	parks and trails connecting to the school and downtown. Environmental community projects through school and community. More eateries and shopping that is nice looking and helpful.	10/20/2021 8:21 AM
101	We need a Meijer (major grocery and shopping center) so we don't have to send all of our community to Bloomington.	10/20/2021 7:12 AM
102	A Meijer	10/20/2021 6:10 AM

103	Not really but no more Starbucks.	10/20/2021 1:52 AM
104	Add a meijer	10/20/2021 12:44 AM
105	The walking trail starting at the Karst trailhead. The addition of a full size supermarket, zoning that would improve the hodgepodge of business on Hwy 46. That's the identity if gives Ellettsville	10/19/2021 10:52 PM
106	Gut the median starting at old Village Inn and take out creepy rentals and vacant lots. Chandler Funeral Home is only thriving business in that sector and it needs a facelift. Homes are in disrepair and old 711 building adds to dead feel leading to dismal Main Street	10/19/2021 10:38 PM
107	New youth baseball and softball fields with green space/park	10/19/2021 10:18 PM
108	Dave and Busters	10/19/2021 9:44 PM
109	more sit down restaurants, a hotel/inn	10/19/2021 9:27 PM
110	Walking trails, playground equipment	10/19/2021 8:57 PM
111	Turn Ellettsville into a Nashville, IN.... It would be better!	10/19/2021 8:48 PM
112	A Walmart store	10/19/2021 8:10 PM
113	Ellettsville needs to distance itself from Bloomington completely. Be it's own entity. Any type of community programs that focus on those efforts and clean up efforts would be time well spent. Even a community volunteer program for community beautification, pulling weeds or power washing homes that need it. That is something I would volunteer in.	10/19/2021 7:30 PM
114	to attract and improve the downtown area businesses and retail	10/19/2021 7:24 PM
115	Yes. I wish that we had a better homecoming celebration with EHS. I was disappointed with the lack of community involvement. I grew up in Vincennes & the entire town was involved. Starting with a parade downtown with each class submitting a float & local alumni ride with their classes. A dance and a homecoming gathering downtown for all alumni. Everyone enjoys. businesses thrive, students are excited and brings the community together. It's a great opportunity for communities with one high school. I love Ellettsville and can't wait to see what the future brings.	10/19/2021 7:24 PM
116	n/A	10/19/2021 6:57 PM
117	Prefer to keep it small town with charm. We don't need to be Bloomington no more apartments and housing.	10/19/2021 6:32 PM
118	A wider range of eating options.	10/19/2021 6:25 PM
119	It would be great to have a place like the Tivoli in Spencer where people can attend concerts and low cost entertainment.	10/19/2021 4:19 PM
120	No	10/19/2021 3:51 PM
121	more and better retail choices, including a premiere grocer	10/19/2021 2:54 PM
122	Exstensive work to combat flooding	10/19/2021 2:48 PM
123	Ellettsville should aggressively annex toward Bloomington	10/19/2021 2:42 PM
124	I downtown reimaged with wider-walkways	10/19/2021 2:28 PM
125	No	10/19/2021 2:01 PM
126	Trail system and more variety of sit down restaurants	10/19/2021 2:01 PM
127	I would love to see the downtown be brought back to a active town if I could I would open up an art store for crafts and activities. There is no beauty shops grocery no hotels. The IGA doesn't seem to be a part of ellettsville seems like going to Bloomington. This is coming from my 82 year old mother. So many things we had and buildings are just waisting away.	10/19/2021 1:54 PM
128	Build downtown to be the business mecca, not sprawling growth in businesses up and down the highway.	10/19/2021 1:49 PM
129	no	10/19/2021 1:42 PM

130	More focus on innovation for small businesses and focus on regulations that invite business and residential growth.	10/19/2021 1:27 PM
131	Defund and rehabilitate Law Enforcement.	10/19/2021 1:20 PM
132	Connect Ellettsville to the B-Line or a bike trail system of some kind.	10/19/2021 1:19 PM

136	YMCA	10/19/2021 7:37 AM
137	With the highway split, the town is dying. We need to find a way to change the traffic flow.	10/19/2021 7:01 AM
138	No	10/19/2021 6:30 AM
139	Maybe get some winery or beer tasting rooms in town.	10/15/2021 5:30 PM
140	A amphitheater downtown to serve as a centerpiece location for community events and entertainment possibilities.	10/15/2021 4:06 PM
141	Swimming Pool	10/15/2021 1:55 PM
142	At least 2 more groceries- competition is good. We need furniture stores and dry cleaners and sporting goods stores and to grow enough to be a city.	10/15/2021 1:44 PM
143	Complete flood control measures. Complete trail system. Revitalize downtown.	10/15/2021 9:48 AM
144	Entice an affordable movie theater to the town	10/14/2021 7:14 PM
145	Community Wide Public Newsletter or Central Point of Information for All Things Ellettsville Area, incentives for aesthetic improvements in residential housing and business improvements in "old" downtown Ellettsville-IE Tax or other incentives for improvements or beautification.	10/8/2021 3:59 PM
146	Downtown pod revitalized	10/1/2021 3:18 PM
147	A 46 bypass so 46 can be used to connect the community instead of separate it. Mostly talking about pedestrian, bike, golf cart access but at certain times of the day it is hard to get to the other side of the road in a car. If Ellettsville continues to grow we need to separate the thru traffic so residents can enjoy our town.	10/1/2021 1:09 PM
148	Community Center (indoors) for town events, wedding receptions, birthday parties, etc.	10/1/2021 9:59 AM
149	Forethought to neighborhood developments, i.e., safe access to Route 46, seeking input for residents not annexed to have input on programs/projects that impact nonannexed citizens/neighborhoods (to make potential annexation better palpable.)	9/28/2021 3:09 PM
150	Downtown park/green space	9/27/2021 3:38 PM
151	Succeed and become part of Owen County	9/27/2021 2:57 PM
152	Unfortunately, I don't. Would love to see something happen downtown that will make that area feel more lively. Not sure what that is though.	9/27/2021 9:17 AM
153	Would love to see an area resembling a square. With shops, and little places to eat that would draw people in and encourage them to stop on their way through to somewhere else.	9/26/2021 10:01 PM
154	Community Trails Network. Look at suburbs of Indy and how strong trails systems foster growth and strong communities! Good for people and businesses!	9/26/2021 5:21 PM
155	no. Other than businesses, no change	9/26/2021 12:59 PM
156	sidewalks in Kelli Heights	9/24/2021 5:01 PM
157	I would like to keep the cornfield across from my house and not see a neighborhood of quarter acre lots on my horizon. I do like the trail through town and would love to have more places to walk and enjoy nature.	9/24/2021 10:17 AM
158	Nothing specific. The Town needs to grow. So glad the Town approved the apartments.	9/24/2021 10:08 AM

159	The first Saturday of each month have something going on downtown.	9/24/2021 12:55 AM
160	I'd love to see quality, public parks that are fun for kids, a focus on attracting small and supporting small businesses, and a quality big grocery store	9/23/2021 10:19 PM
161	Ellettsville desperately needs restaurants of it wants to have people do more than just drive through it. Spencer is a smaller town, but they have so many great dining options, plus a farmer's market!	9/23/2021 9:46 PM
162	Historical district	9/23/2021 9:30 PM
163	Stop building in Ellettsville!	9/23/2021 8:34 PM
164	Indoor entertainment for teens and adults- sports center, go carts (if you use this you must credit my husband;),	9/23/2021 7:05 PM
165	local Shopping center (department store instead of having to go to bloomington), restaurants	9/23/2021 6:18 PM
166	Small manufacturing plant near town would be welcomed, like Catalent which is growing and pays well.	9/23/2021 6:00 PM
167	Fix flooding issues	9/23/2021 5:25 PM
168	Double lane roads farther west of town	9/23/2021 5:15 PM
169	More mom and pop restaurants	9/23/2021 4:35 PM
170	Real park trails outside gym equipment something worth going down the street for instead of wanting to sit in the house because outside will be just as boring. Have young adults keep the park in check helping them play a role in the community which gives them credit for jobs and college that teaches them to do skills of upkeep activities planning. You can have young or old people do work if they are getting credit for it. It's really not that hard.	9/23/2021 4:30 PM
171	Look at Speedway Indiana Main Street example	9/23/2021 4:26 PM
172	Clean up the look on the highway coming into and leaving town. Looks junky.	9/23/2021 3:45 PM
173	Comprehensive source of information and destination. Case in point, where would I send someone (that has never heard of or been to Ellettsville) as a starting point in exploring the community?	9/23/2021 3:06 PM
174	I would love to see the downtown have some restaurants and business les again. A chic fil a on 46!would be wonderful. Don't try to be Bloomington. Richland plaza is looking dated and a bit run down. Put resources into buildings we have instead of building new. Don't allow unchecked growth without traffic planning and infrastructure. Focus on community beautification.	9/23/2021 7:52 AM
175	Trails and parks throughout. Use the land off of 46 to promote an actual downtown feel or entertainment instead of a pass through town. More grocery options.	9/22/2021 10:56 PM
176	Not so much built but the Fall festival needs a lot of work. Vendors, games, rides, concert lineups, etc. We should have had it this year. Yet, again we do what Bloomington does. We are RBB we need to make more of our own decisions. Every county around us continued their plans, we need to take a stand and do the small town thing and have community events.	9/22/2021 10:01 PM
177	Large retailer (such as Meijer), larger park and trails, embrace Ellettsville identity with signage at Smith Pike / Richland Plaza that lets you know you're in / near Ellettsville.	9/22/2021 9:39 PM
178	We need sidewalks or trails connecting Edgewood Schools to the community and the community to the greater Monroe County trail network.	9/22/2021 8:55 PM
179	More single family and rental housing	9/22/2021 4:05 PM
180	Down town has so much potential!!!	9/22/2021 9:59 AM
181	Local farmers market	9/22/2021 9:26 AM
182	N/A	9/22/2021 8:45 AM
183	Development of SR 46 and new retail	9/21/2021 8:40 PM
184	Nice restaurants.	9/21/2021 7:36 PM

185	I really would like to see Ellettsville do something to deal with the lack of diversity in this community.	9/21/2021 5:37 PM
186	Sidewalks to schools	9/21/2021 5:07 PM
187	It would great to have a safe community park.	9/21/2021 4:53 PM
188	Small parks dispersed with biking/running trails	9/21/2021 4:53 PM
189	Downtown re-development and flood mitigation	9/21/2021 4:40 PM
190	Set land aside to be planted with native plants to attract and support populations of bees and birds	9/21/2021 3:52 PM
191	Fix the flooding issues so we can have homes and businesses downtown. Keep money in our community. Come together with an open mind in order to grow our town in the right direction and still keep the small town feel and look	9/21/2021 2:47 PM
192	I believe that one of the big things that needs to be done is moving the Little League fields. They could maybe go up to the Josh Sparks Park area behind the Junior High. This would allow the town to turn the ballfield area into a larger mixed use park with an amphitheatre and other amenities. It would be cool to maybe show movies in the park. That would also allow for more space for the Fall Festival. The Fall Festival is another deal that needs overhauled as well, but that's a whole different group I know.	9/21/2021 2:44 PM
193	no	9/21/2021 2:05 PM
194	I would love to see the downtown thriving and the downtown area apartments gone and replaced with shops.	9/21/2021 8:18 AM
195	Transportation improvements on HWY46 for safer access to businesses and growing residential. Downtown park and community gathering space (flood area opportunity where you can't build). Additional shopping and restaurant development.	9/19/2021 11:35 AM
196	A dog park would be AWESOME!	9/16/2021 5:35 PM
197	Connections between neighborhoods and to businesses...ways for families to easily connect	9/15/2021 8:03 AM
198	A multi lane 46 bypass south of town from the turn west of the I69 junction to somewhere around Flateoods.	9/14/2021 8:14 PM
